### **Green Dot Awards to Announce Winners at Green Art Fair Miami in December**

The Green Dot Awards will publicly announce the winners of the 2008 competition at Green Art Fair in Miami, which takes place from December 2 - 7. The announcement will take place at a gala reception ceremony on the evening of December 3.

(New York) August 1, 2008 - During the high art and design season in Miami December 2008, the Green Art Fair will be an awe-inspiring single point of contact for the green art and design world, eco-friendly businesses and individuals interested in moving the environmental friendly movement forward. The Green Art Fair Miami is expecting more than 20,000 visitors in 2008. Introducing eco-friendly artists, curators, sustainable designers and galleries to new audiences internationally has made Green Art Fair Miami the most comprehensive destination for the eco-friendly art and design world available anywhere. Learn more about the Green Art Fair Miami at [www.greenartfair.com](http://www.greenartfair.com)

Winners of the Green Dot Awards are selected by the jury members, who review entries by category: Transportation, Design & Build, Products, Services, Entertainment & Culture, Other, and the "Concept Category." The Green Dot Awards jury is comprised of top international activists, progressive business founders, and pioneers of the eco-sustainability movement. Members include Kyle D. Brown, Ph.D., Director, John T. Lyle Center for Regenerative Studies at California State Polytechnic University; Shelagh McNally, Editor at Green Living Online & Green Living Enterprises; Peo Ekberg, Environmental Consultant for Sustainability and LifestyleCO2 Adviser; Daniel D. Chiras, Ph.D., Author of *The Homeowner's Guide to Renewable Energy*, *The New Ecological Home*, *The Solar House*, *The Natural House*, *Superbia! 31 Ways to Create Sustainable Neighborhoods*, and *The Natural Plaster Book*; Steven Foster, President of the Steven Foster Group and commercial consultant for eco-sustainability.
